

DIRT & DUST RUN 2025

THIS TRIP IS NOT ABOUT CREATURE COMFORTS, THIS IS A JOURNEY OF DISCOVERY

This is not a race, it's a challenge. And it'll be dirty, dusty, maybe muddy, and tough. You won't always know where your going, and it will test navigation and driving skills. But it's going to be an amazing experience and something that you'll remember forever and it's all in the name of charity.

Our cause is to raise funds for mental health, supporting Australian Rotary Health and local organizations dealing with mental health issues, while providing an event that is designed to challenge you, and get *you* out of your comfort zone. You don't have to be a 'car person' nor mechanically minded, and you don't have to have done a rally previously. This event is open to those who are seeking fun, adventure, discovery and making a friend or two while doing it.

We will be camping at all locations, so you'll need to bring your own tent, swag and bedding. We do have a truck to carry your sleeping gear to and from each location, but space is limited. We will announce a designated drop off point, just prior to the event, or you can hand over your items once on the run. You experience an array of camping venues, some with fine facilities, and others with no facilities, so be prepared. You will get to enjoy the friendship of nature, just as she had intended.

During the adventure, we'll organize all of your meals Breakfast, Lunch and Dinner, however you can bring what ever other snacks, beverages, and alcoholic drinks you require.

You'll get plenty of advanced notice before departure for you to prepare for little surprises that may pop up on the run, designed to challenge your team, or to add a fun element to the event.

We respect that the teams put a remarkable effort into fundraising, and we aim to support you in however or with ever you may need. Your membership login area is full of useful tools, tips and functions to assist you on your fundraising journey. The site has pre-build links that you can share via social media, email and sms that will direct people to either your personal page, or your team page.

You will receive email newsletters, and sms messages updating you on what you need to plan for, pack, hints, tips, tricks updates and other bits of information that the organisers deem - worthy to know - so keep an eye out in your inbox. (Helps to check your junk or promotions folders - just in case we've slipped in there)
